

ACTION OF THE WEEK

March 27, 2019

"IMIrJ Lobby Day!"

"Attend the 1st ever Interfaith Movement for Immigrant Justice Lobby Day April 8"

Your action is to [register](#) by April 1st for the April 8th Immigrant Justice Lobby Day.

IMIrJ will draw on the rich practices, stories and rituals of our various faith traditions; we'll join our voices together in a meaningful - and politically impactful - day at the Capitol, amplifying the demands and priorities of Oregon's immigrant and refugee communities.

At the same time, we know that passing state policies that will allow Oregonians to live in safe and welcoming communities regardless of their immigration status is more than a one-day affair. We are committed to accompanying your faith community's Sanctuary Team leading up to and beyond April 8th, as we work together to ensure true Sanctuary for All. faith community can engage: <http://tinyurl.com/advoDay2019>.

Schedule for the day:

Overall, this event starts at 8 AM with registration and ends at 4 PM

8:00 am: Registration (with light breakfast) will begin.

9:00 am: we will join together in a powerful interfaith worship service, grounding ourselves in the stories, songs and rituals of our diverse traditions.

10:00 am: we will explore the connections between our sacred faith teachings and our legislative priorities, as we prep our teams to be effective advocates. Then we will make our way to the capitol building for a shared meal, breaking bread together in a sacred and public witness to the more just and humane world we are ushering in. Finally, we will have the opportunity to meet with our legislators. (Don't worry – the organizers will schedule the meetings and make sure you know exactly where to go when and with whom.)
