Service as a Spiritual Practice with the **Music Team**

I want to serve!

I want to share music with others.

I want to help create beautiful and meaningful Sunday services.

I want to contribute to the spiritual life of our congregation.

And

To help build a strong foundation for our spiritual home.

But,

I like to sing but am not a strong singer.

I need child care.

The Music Team can help meet your needs.

Do you have these skills?

Singing in the choir.

Providing special music for services.

Serving on the music committee and helping plan services.

Notes: We pair strong singers with those who need it, and we are very patient!

We happily work with parents if child care is a barrier.
