Service as a Spiritual Practice with

Women's Alliance

I want to serve! and I want to have fun!

I like to meet people, interact with others, and strengthen connections.

I like to serve at church activities and events, memorials, ordinations, weddings, the annual bazaar, decorating, and making ornaments for our children.

I like to know the work I do helps provide items needed by our congregation such as tables and chairs, equipment and table service, hymnbooks, window blinds, kitchen flooring and more.

I like knowing that I'm carrying on the long-time traditions of Salem UU.
