commit to seeking
new ways to open up
the gift you are
by sharing it with others."

Service as a Spiritual Practice with

Worship Services

I want to serve!

- To foster my own spiritual growth and inspire others.
- To contribute to open and fearless spiritual and intellectual exploration by our congregation.
- To help create an open and inviting atmosphere in our congregation.
- To use my speaking, musical or technological gifts to help support the congregation in spiritual services.

Worship Services offers several ways to serve that may best utilize your time and talents.
